It has been brought to our attention that a telephone scam is happening across Essex, with males claiming to represent the Ministry of Justice. They claim that victims are entitled to a large amount of money, and to receive this they are to purchase UKASH vouchers from a designated newsagent nearby. They then send someone round to collect the vouchers, in exchange for the money they are entitled to.

The Ministry of Justice have confirmed this is not a practice they participate in, and therefore we are urging members of the public to be aware of this scam, and not to engage or give out further personal details.

Should you need further advice, or feel you may have been a victim to this type of scam please contact Essex Police on 101.

TWAM - Tools With A Mission
Excerpt from their Facebook page:

Volunteers in Action:

When we supply an electric drill, or even a hand powered drill, we send a set of drill bits with it. These are collected from among the donated items, sharpened, sorted by size and made up into sets. One set is then sent out with each drill. Nick is our volunteer who sharpens the drills, the first stage in the process. Please help us to keep Nick busy by sending us drills that you no longer require. We also take masonry drills, spade bits, SDS drills and many other types.

St Mary's Langham and St Peter's Boxted churches are supporting TWAM for this year's Harvest Festival, if you have any tool that is potentially useable (even with some repair), you are asked to take it by 27 September to:

Boxted

Whilst going through Boxted Parish Council's archives recently the clerk came across an original copy of an historic byelaw which stated that dogs are allowed on the King George playing field whilst kept under control. This meant the parish council has been acting outside of the designated bye-law in preventing dogs from using the field over the past few years. Now that the matter has been brought to their attention, and having sought advice, it was arranged for four dog bins to be put in place around the field which means there is absolutely no excuse for dog faeces to be left on the field and the open space can be enjoyed by all members of the community.
