

Faces of The Village

Julie Taplin and her horse, Sox.

Sox is a 23 year old [nearly] black Irish cob that Julie has owned for 7 years. He came to live in Boxted in October 2013 and is loving his life on his own 5 acres!

Julie is an NHS diabetes dietitian 'by trade' and likes to help the Diabetes UK charity that does a lot of work for the NHS when she can. She has been nominated the Colchester TESCO big collection team leader for the weekend of 13 and 14 June and is in need of some volunteers to assist her with donation collecting at Tesco, Highwoods, Colchester for Diabetes UK and the British Heart Foundation.

If you feel you could help with a 2 hour shift please go to <https://www.diabetes.org.uk/big-collection> or phone 0345 123 2399 . Select the Colchester store and then tick if you prefer a Saturday or Sunday morning or afternoon. Diabetes UK will pass on your details to Julie who will contact you as soon as you register.

COLCHESTER CREATIVE SHOTS
A SMALL FRIENDLY AND INFORMAL PHOTOGRAPHIC GROUP

CREATIVE SHOTS EXISTS TO FURTHER THE SKILLS, INTEREST AND ENJOYMENT OF ALL PHOTOGRAPHERS FROM BEGINNERS TO THOSE WITH YEARS OF EXPERIENCE

We meet once a month at the Hythe Community Centre in Colchester. Meetings are held all year round on the third Wednesday evening of the month and usually start at 7.30pm.

The programme is varied and includes visiting speakers, in-house practical evenings and discussions of each other's work, often being given a theme. Open evenings are for members to bring along any images which they have taken recently or are passionate about. We aim to hold an exhibition for the public each year.

We are always keen to welcome new members to our camera club so if you feel we can help you develop your interest and enjoyment of photography, please pass along to our next meeting or visit our website for further information.

Neighbourhood Watch

Car key burglaries

In some cases burglars are breaking into houses while you sleep with the intention of finding your car keys and stealing your car and any other small items they find on the way, what can I do?

Firstly before you turn in for the night check that all doors, ground floor windows

and easily accessible windows are closed and locked. PVCu doors – don't forget that the door is not fully locked until you have lifted the inside handle and turned the key. If you have an intruder alarm and can do so activate the downstairs zone. To stop the burglar getting to the vulnerable windows and doors to the rear ensure that side gates are closed and locked.

Please also ensure that you put your car keys somewhere safe and out of sight, when you return home. Put your car keys in a drawer (preferably one that is noisy to open) or some other secure place, but don't take them up to the bedroom with you.

If you have cars of different values, please park the higher value car in your garage. If you can't do this, please park the lower value car in front of the higher value car, as the thieves are more likely to target high value cars and will be deterred if they can't easily drive such a car away from the scene. With high value cars consider the fitting of a tracking system.

For further crime prevention advice contact your local Crime Prevention Officer using the police non emergency number 101.
