SMALL SHOEBOX – BIG IMPACT

Dear Friends,

Thank you very much for your generous contributions to last year's Shoebox Appeal. Through your generosity, your gifts had a big impact on many children's lives. You gave them fun and laughter, warmth and comfort, hope and joy, through the present they received, thank-you. Your gifts changed children's lives all over the world for the better.

This has been happening for more than 25 years, and adults today testify to the importance of the gifts they received when they were children. Because of this we are delighted to say that St. Mary and St. Peter's Churches and the Primary Schools of Langham and Boxted are again joining together to support Operation Christmas Child.

Please give generously, and take your gift-filled shoebox to one of the collection points listed on your leaflet. Alternatively, please bring your filled shoebox to our special service at St Peter's Church, Boxted on Sunday, 20th November at 9.30 a.m. Thank you for your support.

LANGHAM VILLAGE RECORDER

Chris Graves has been appointed Village Recorder by Langham Parish Council and took up the post earlier this year. He has been actively involved in the Parish Heritage Committee and in helping families trace their ancestry from local records.

The role of Village Recorder was established by Essex Record Office as part of a national scheme to promote an understanding of our past history and to provide a record of its present activities for the future.

Chris will be seeking information from all local societies and organisations to help in preserving a record for future historians and also to help researchers looking for information about the village and its records.

It's particularly important to preserve posters and reports about village activities, especially the people involved and Chris hopes to be able to gather this information to provide a long term record of the village and its life.

He would also be happy to help any residents or former residents in finding information about their past.

Chris can be contacted at
272019 or email:
chris@thegraves.co.uk

'Colchester Mind' and 'Mid Essex Mind' charities have come together to form Mid and North Essex Mind, covering Colchester, Tendring, Maldon, Braintree and Chelmsford. The charity believes no one stressed, depressed or in crisis should have to face a mental health problem alone. It works with children from the age of 5 and adults of all ages. It provides services for adults that include counselling, practical support in matters like debt, job seeking and housing, and services for children and young people experiencing poor emotional wellbeing.

There is a new website, www.mnessexmind.org, with information about the help offered or how you may help Mid and North Essex Mind. You may also call 01206 764600, Monday to Friday, 9am to 5pm.

LANGHAM COMMUNITY CENTRE

You are invited to attend the official opening of the refurbished Centre at 10.30 am on Saturday 12th November, when tea and coffee will be served. This will be a time to thank our grant providers, Cory Environmental in Britain and Essex Community Foundation, Langham Parish Council, and all those who have worked so hard to make the project a success. Do come and join us.

BOXTED EVERGREEN CLUB

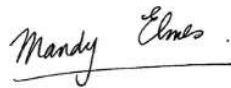

November will be a busy month for the Evergreen Club as they not only have their usual meetings, but also a trip to Norfolk.

At the first of their meetings, on 3rd November, they will recapture a flavour of summer when Norman Jacobs' topic will be 'Hi-Di-Hi', whilst on 17th November they will be entertained by Nigel and his guitar. On 24th November the Christmas Spectacular at Thursford is the destination for 22 members and their friends who will, no doubt, have plenty to tell everyone about on their return.

THANK-YOU

Firstly I would like to say a HUGE THANK-YOU to Ian Hollands for the many hours over many years, that he has given to creating and producing the St. Mary and St. Peter Newsletter, we are all indebted to him. Thank-you Ian. The Newsletter means that we are all able to keep up to date with what is going on in our two villages, it gives us food for reflection and it helps us to know who to go to when we need help with computers, the garden a trip to the doctor, or the chimney! We would all be worse off without the Newsletter, so thank-you again, Ian.

I would also like to give a big thank-you to Mrs Pauline Coverley, from Boxted, who has offered to take the editorship over from Ian. We are REALLY grateful to you. Thank-you Pauline. We look forward to your leadership in the coming months.

LANGHAM WI

Friends, husbands and guests from other WIs came along to the Open Evening on 13th October, when the entertainer, Alan Haines, presented an amusing mix of quirky facts and videos from the 1960's, accompanied by his computer girlfriend; and some conjuring requiring brave people to assist him. The 'nibbles' were really special, no WI jam, but lots of decorative dainty savouries and special sandwiches attractively set out to go with the wine. Langham WI would like to thank all the guests for coming and hope they enjoyed the excellent evening.

Canine Partners will give the talk at the November 10th meeting. Visiting ladies are welcome, please phone **01206 272806**

FROM THE EDITOR

Well, it's funny how you find yourself undertaking things which hadn't previously been part of your life's plan isn't it? Since moving to Boxted 10 years ago I've studiously read the newsletter every month as a way of feeling connected with the two villages, even though I was working full-time and not able to join in many of the events and activities taking place. I believe that Langham and Boxted are fortunate in the number of organisations which they host and having people who are energetic enough to ensure that they continue.

The Rector has already expressed her thanks to Ian for the hard work he has put into the newsletter over the years and I would like to echo those thanks. Whilst being both excited and apprehensive about my new role, I sincerely hope that I can do justice to the wonderful newsletter which he nurtured over the years.

My thanks also go to Claire Arculus who has kindly stepped in to help out in the Advertising Manager role, alongside Scott Dolling. I'm looking forward to working alongside them both in the future.

BOXTED

NEIGHBOURHOOD PLAN

A referendum was held in Boxted Village Hall on 15th September with villagers voting whether or not they wished Colchester Borough Council to use the Neighbourhood Plan for Boxted when deciding planning applications in the neighbourhood area. The result was 305 in favour of using the Neighbourhood Plan, with 69 against. Of those eligible to vote, 34.59% did so.

BOXTED HISTORY GROUP

September saw the second of the group's visits to the extensive gardens at Marks Hall Estate in Coggeshall. The visit took in the walled garden, which is one of the largest in England, as well as the lake which was reputedly created using "off duty" soldiers during the siege of Colchester. Nowadays the estate supports Kew Gardens in their plant research and development programme as well as offering an enjoyable day out for visitors. During their visit, the group noted an army of staff and volunteers busily preparing the gardens for an impending visit by the Gardeners World TV crew. Did you catch a glimpse of the estate on 14th October?

BOXTED WI

Boxted WI summer events have taken place, thanks to Geraldine Russell for hosting the annual garden party/BBQ. The children absolutely loved the garden and the ladies enjoyed an evening of good food, wine and chat.

The annual outing was an English Tea Cruise on the River Orwell, starting at Ipswich, during which the skipper supplied both mundane and scandalous anecdotes on the history of the river! This was followed by a delicious, home-made tea served at Pin Mill.

September meeting's topic was everything gardening, including a seed swap and a quiz.

In October, the gathering of the Boxted WI was a behind the scenes visit to Tesco, Highwoods. As well as learning of the time critical operations to deliver perishables, computerised stock control and how they support local charities, including the foodbank, members enjoyed tasting fruit, cheese and wine.

LANGHAM SINGERS

Sadly the Langham Singers had their last session. Unfortunately, after a number of years of leading the group in some wonderful sessions, a problem with her vocal chords means that Joanna has had to give up teaching them. All the members of the group will surely miss their singing get-togethers and wish Joanna all the best for the future.

Why not come along to a practice session on Tuesdays from 7.30 – 9pm try your hand at ringing the bells?

DOG FOULING

A LETTER FROM LANGHAM PARISH COUNCIL

It has been brought to our attention by several members of the village and the users of the recreation ground that there is an increasing problem of dog owners not picking up their dog's faeces after their pets have been to the toilet.

As you can understand this is not very pleasant for the football teams and persons using the recreation ground, including children.

Not only is this a disgusting habit on behalf of those dog owners, it is also illegal and can result in the dog owner getting a fine.

If the situation does not improve the Parish Council will have no option left but to make the whole recreation ground a dog free zone.

Peter Dawson
On behalf of Langham Parish Council
